

## 10 Things Not to Do in an Interview Negativity and Nerves

## **Comprehension Questions**

View the programme attentively. After you watch the programme, complete the following comprehension questions and tasks.

| 1. | Hansel and Gretel could have used their experience to show the interviewer the skills and qualities they possess, rather than being so negative.  |                            |  |  |  |
|----|---|----------------------------|--|--|--|
|    | Provide at least two (2) skills and/or personal attributes they would have used to overcome their traumatic experiences in the woods and explain how they would be beneficial in a workplace setting. |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
| 2. | Carol also recognised that Rapunzel "sold herself short". What were the two workplace skills the interviewer said Rapunzel could have talked about by describing:                                     |                            |  |  |  |
|    | a)  | breaking out of the tower? |  |  |  |
|    | b)  | working with the prince?   |  |  |  |
|    |   |                            |  |  |  |
| 3. | One candidate in particular demonstrated that a lack of research can really affect nerves in an interview. Which candidate was this and how did they behave due to their nerves?                      |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |
|    |   |                            |  |  |  |

## 10 Things Not to Do in an Interview Negativity and Nerves

## Comprehension Questions

| 4. | What are some of the strategies the interviewer and the Big Bad Wolf suggested to reduce anxiety and nervousness? |               |                                 |  |  |
|----|---|---------------|---------------------------------|--|--|
|    | •   |               |                                 |  |  |
|    | •   |               |                                 |  |  |
|    |   |               |                                 |  |  |
|    | •   |               |                                 |  |  |
|    | •   |               |                                 |  |  |
|    | •   |               |                                 |  |  |
| 5. | Fill in the missing words from the word bank. Use each word once only.  |               |                                 |  |  |
|    | confidently examples  | build<br>sell | role<br>potential               |  |  |
|    | Employers expect candidates to "  |               | " themselves, which             |  |  |
|    | simply means to speak   |               |                                 |  |  |
|    | Employers understand that young people may not have   |               |                                 |  |  |
|    | been able to  |               |                                 |  |  |
|    | candidates will use   | of how        | they have applied themselves in |  |  |
|    | other settings and relate them bad  | k to the      |                                 |  |  |
